

How would you like to help your budget and another family at the same time?

When you refer a new family to TCS,
you'll receive a "bonus" of \$400!

You will receive the \$400 tuition credit on your January tuition statement.

There is no limit how many families you refer!

Refer 4 and earn \$1,600!

The family you refer must:

- Not have previously enrolled any of their children in the TCS K-12 program.
- Enroll at least one student in grades 1-12 on a full-time basis.
