Financial Policies

Turlock Christian Schools (“TCS”) is a private Christian school. In order to insure that TCS has the necessary resources to deliver effective instruction, it is imperative that the tuition and fees for each student be paid in full and on time when due.

Tuition and fees are due before July 1, 2018 or at the time of enrollment. International Student fees and tuition are non-refundable.

Any charges, paid by credit card will be subject to an additional fee.

Tuition and fees billed must be paid when they are due to gain clearance for the student(s) to attend class the first day of school. Registration fees, application fees, technology fee, ESL, activity fee, host family fee and tuition fees are non-refundable.

A charge of \$30 will be added to accounts for all returned checks. Any occurrence of a returned check may require future payments in cash or by bank check.

A charge of \$20.00 will be added to accounts with unpaid charges. Payments are considered late if not received on the 5th day of the month.

Monthly statements are not mailed. Statements personally given to the student or emailed, usually 10 days prior to the due date. Whether or not you receive a statement, you are responsible for paying your account balance in a timely manner. Host families will receive notice of payment due to communicate to student and the student’s family when necessary.

When the student(s) last name is different than indicated on the check, you will need to list the student(s) name(s) on the check.

Tuition reductions and/or refunds are not made for absences, illnesses, holidays, or student discipline including suspension or expulsion.

Parents/Guardians are financially responsible for any damage done by their student(s)/family members to TCS property, whether the damage was done intentionally or not. This can include buildings, equipment and books, etc.

Any student with an account 30 days (or more) past due may be removed from school enrollment. Accounts must be paid in full in order for final or semester exams to be taken, or for grades, report cards and transcripts to be given out.

Only students with accounts paid in full will be permitted to participate in semester exams, class programs, special year-end events, trips or graduation ceremonies.

If there is a balance on the account for a previous school year, students will not be able to return to TCS without payment in full. This includes summer enrichment and any other summer programs.

TCS reserves the right, at its option and sole discretion, to require the responsible party to provide adequate assurances that the tuition and fees will be paid when due. TCS shall determine appropriate assurances at its sole and absolute discretion which may include, but not be limited to, bank statements, completion of a credit application, delivery of personal credit reports, execution of a payment agreement and requiring a third party personal guarantee for payment on the account.

Students may be requested to be withdrawn from school by either TCS or their parent/guardian. In either case the responsible party will continue to be held responsible for any fees and costs incurred prior to termination of enrollment.
