

Rooted in Christ. Equipped to Thrive — Intellectually and Spiritually

This week, we joyfully welcomed our entire faculty and staff back—standing together, rooted in an unwavering “why” that centers around Christ.

In every decision, Christ is our compass. This year, with nearly 700 children entrusted to our care, our mission extends beyond academics: we’re nurturing hearts and minds with the life-transforming message of Jesus, equipping our students to thrive intellectually and spiritually in a rapidly changing world.

Jesus reminds us in **Matthew 7:24-25**:

“Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock. And the rain fell, and the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on the rock.”

This parable powerfully illustrates that when our foundation is Christ-centered—listening to and acting on His words—we stand firm through any storm.

With that bedrock faith anchoring us, it is our joy to introduce the three final members completing our team, who embody both excellence and devotion to Christ:

With **Team TC now complete**, we are prepared to embrace the 2025-2026 school year—a year dedicated to **faith, family, and future**, all built on the firm rock of Christ.

As we serve Christ and our school together, may His strength uphold us in every classroom, hallway, and heart.

Serving Christ and our school,

Johanna Fischer
