

## Grandparents: Faithful Foundations for the Future

---

Dear TC Family,

So much is happening at Turlock Christian this fall! It's a busy season filled with good things, and one of our favorites is a long-standing TC tradition: **Grandparents' Day**.

Consider yourself blessed if you fall into the category of TC grandparent. Besides the honor of being "grand," what could be better than this stage of life? Grandparents love their grandkids and are loved by them! You pour wisdom into little lives through stories of "old," fill bellies with sugar without guilt, enjoy the snuggles and giggles—and then send them back at the end of the day, already looking forward to the next visit.

All of our grandparents love their grandchildren, and at TC we love having grandparents involved! Some once attended TC themselves, some volunteer in kindergarten centers, others help with hot lunches, and one even led an Eagle Academy sewing class. However they serve, grandparents enrich our school family with their time, talent, and treasure—and most of all by planting seeds of faith in the lives of our students.

As Psalm 78:4, 6-7 reminds us:

*"We will not hide these from their descendants;  
We will tell the next generation the praiseworthy deeds of the Lord,  
His power, and the wonders He has done... so the next generation would know them—  
even the children yet to be born, and they in turn would tell their children.  
Then they would put their trust in God and not forget His deeds  
but would keep His commands."*

**Grandparents' Day** will be held **this Friday, September 19**, at both the Elementary and Preschool campuses. The program the kids put on is such a fun and honoring experience, and the joy of seeing your grandchild's excitement to share their classroom with you is truly heartwarming.

Amazingly, when our children talk about how they know their grandparents love them, their answers almost always center on simple acts of kindness. So, if you are a grandparent of a TC Preschool or Elementary student, or know one, please don't miss this opportunity to be a part of our students' appreciation of you. We can't wait to celebrate you!

TC grandparents truly **embody faith, family, and future**. It is your faith, poured into your families, that gives children a future rooted in Christ, a future that is steady and secure, even in a world full of challenges.

With gratitude,

*Johanna Fischer*  
*TCS Board Chair*
