

Serve, share, and encourage students

Dear TC Family,

A Christian school is a living body, full of purpose, people, and promise. Like any living thing, it has seasons of growth, moments of strength, and times of healing. There are great days and challenging days, but both are signs of life. They remind us that we are part of something real, dynamic, and growing together, serving the purpose of our Lord both on campus and in the community.

At Turlock Christian, we've experienced both joy and challenge. Our community has seen seasons of abundance and seasons of pruning. Today, we're emerging from a time of rebuilding, particularly within our high school, while watching other areas of our school flourish. Our athletics are thriving, our younger grades are strong, and the spirit across all campuses is vibrant and faithful.

Yes, there have been hard days, but we are not defined by them. We are defined by how we respond: with prayer, perseverance, and trust that God is still writing our story. He has been for over 50 years.

***"Let us not grow weary in doing good, for in due season we will reap,
if we do not give up."***

Galatians 6:9

Healing begins with honesty and hope - and we have both.

So, how can you help? Be an active, growing part of the TC community. Share the good. Invite others to come, see, and experience what TC is all about. Tell others what you see happening here - our teachers who pour into students daily, our administrators and board who lead with unity and conviction, and our families who serve side by side, building a great place for students to thrive in a Christ-centered education. Every encouraging word you share helps this body heal and grow, witnessing to our wider community what a Christ-centered school truly looks like.

We are not hiding from the past; we are learning from it. We are moving forward with renewed strength, deep faith, and clear purpose.

***“As each part does its work, the whole body grows
and builds itself up in love.”***

Ephesians 4:16

You are here for such a time as this. Together, we are more than a school; we are a living testimony of God's faithfulness.

Faithful in the journey,
United as a **family**,
Building a **future** grounded in hope.

With gratitude and grace,

Johanna Fischer
TC Board Chair
