

You're an Essential Part of Our TC Family

TC family,

In a world that often celebrates independence, it can be easy to forget the deep strength that comes from belonging to a community. You belong to the TC community. You belong to your church community. You have chosen these spaces so that when life gets difficult, you have support, guidance, and faithful brothers and sisters standing beside you, walking along with you, and praying with and over you.

**“Two are better than one, because they have a good return for their labor:
If either of them falls down, one can help the other up.”**

Ecclesiastes 4:9-10

The Christian life was never meant to be lived alone. It is filled with joy, yes, but also with challenges that test and refine us. Our greatest reward isn't always visible, which is why walking this road together is so vital.

Within our TC community, I hear stories every week - stories of courage, compassion, and steadfast faith. I've seen that love firsthand: in the care shown toward my child, in the way teachers pray for students, and in the countless quiet acts of service that happen every day. These moments remind me that Christian community is more than a place; it's a living expression of Christ's heart.

“And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together...but encouraging one another.”

Hebrews 10:24-25

Yes, our students receive an outstanding academic education and countless opportunities in athletics, the arts/music, FFA, and beyond. But even greater is what they receive spiritually, the understanding that they are part of something bigger than themselves. At TC, our children are valued not for what they do, but for who they are in Christ.

I'm beyond grateful for this school, God ordained TC to be local, right here for us! I am grateful for our TC family and this faith-filled future we're building together. We are, truly, a community rooted in **faith**, strengthened by **family**, and focused on the **future**.
Blessings,

Johanna Fischer
