

Together, We Are Moving Forward in Faith

Dear Turlock Christian Families,

Together - as Turlock Christian families, staff, administration, and partners - we are making a difference. We are demonstrating love, commitment, and fortitude, especially through the faithful leadership of our administration and staff. Why? Because truth, rooted in Christian education, and our students remain at the heart of Turlock Christian's strategic plan. We are not where we were just a few months ago, and with continued commitment, faith, and perseverance, we are steadily moving forward together.

As a school community, we understand that educating children is not a short journey, but a long and meaningful race - one that requires trust, patience, and perseverance. There are seasons in the life of a school when the road feels smooth and predictable, and there are seasons when change, uncertainty, or difficulty ask more of us than we expected.

Scripture speaks directly into these moments. When the Apostle Paul writes, ***"I have fought the good fight, I have finished the race, I have kept the faith,"*** he reminds us that faithfulness is not about avoiding hardship, but about remaining steady when the path becomes challenging.

As parents, you are not simply observers in this season, you are partners in the work of guiding children through it. Your presence, your prayers, and your confidence matter more than you may realize. During uncertain times, children look first to the adults they trust. They watch how we speak, how we listen, and how we respond. Through our words and actions, they learn what it looks like to trust in God's faithfulness in all things. When we remain calm, anchored, and hopeful, we provide a sense of security that allows our children to focus on what matters most in this season of their lives - learning, growing, building friendships, participating in extracurriculars - while trusting in their Savior and the Christian influences surrounding them.

A strong Christian school community is built not only on programs and plans, but on shared commitment, mutual trust, and faith. There may be moments in this season when

answers are still forming, and outcomes are not yet clear. In those moments, we ask you to stay with us, to keep the faith and continue walking alongside Turlock Christian and one another. This is how we run the race together as a family of believers: not by rushing toward quick solutions, but by choosing steady faithfulness day by day.

Through it all, our focus remains on the children entrusted to us. We believe God is at work even in times of transition, shaping character, resilience, and wisdom in ways that will serve our students for years to come.

By standing together as parents, educators, and leaders, we model for our children what it looks like to persevere with faith, integrity, and hope. There are seasons that may test us, but they will also strengthen us, and together, we will continue running the race with faith, courage, and care for every child in our TC community.

In faith, family, and future,

*Johanna Fischer
TC Board Chair*

“Let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith.”

Hebrews 12:1–2
