

Moving Forward—Together

Dear TC Families,

As we step into a new year at Turlock Christian, we do so with hearts full of gratitude and eyes fixed on what God is continuing to build among us. TC is more than an academic school; it is a Christ-centered family, united by faith, strengthened through partnership, and committed to raising the next generation with wisdom, purpose, and truth. Together, we are shaping not only this school year, but the future of our children and our community.

At TC, we deeply value family - the family we are born into, the family that grows around us, and the family we choose as we walk through life together. We know that gratitude strengthens those bonds, and that the strongest thread holding any family together is our shared faith.

As we continue strengthening the TC family day by day, we are reminded of the importance of communication. For decades, research has shown that the simple act of families sharing meals leads to stronger social, emotional, and academic outcomes for children. While we cannot all gather around one table, we can create space for meaningful conversation.

That is why we are inviting you to complete a questionnaire. We want to hear your thoughts, your hopes, and your perspective on your school. Later this month, during our **State of the School** meeting, we will share what you have told us and respond thoughtfully as a family.

Scripture reminds us,

“Let us consider how we may spur one another on toward love and good deeds... encouraging one another.”

Hebrews 10:24–25

Communication that is rooted in love and trust strengthens unity and helps us grow together.

In life, we protect what we value, and at times, we even fight for it. At TC, we protect our faith and students. It is the foundation of who we are individually and the heart of our mission as a school. We are committed to building a TC family grounded in Christ, one that can withstand any storm. When we work in unity with Him, we believe not only in perseverance, but in His power to do far more than we can imagine. We protect our future.

When you receive the survey, please take a few moments to complete it. Your voice matters, and we truly want to hear from our family.

In faith, family, and future,

*Johanna Fischer
TC Board Chair*
