

## Building with Purpose, Led by Faith

---

Dear TC Family,

I wanted to take a moment to share an update on where we are in the search for our next Head of School. This is a meaningful season for our community, and I want you to know that every step is being taken with intentional care, in prayer, and with deep trust in the Lord's leading.

We feel the significance of this moment, not as a burden, but as a reminder of the incredible responsibility and opportunity before us. This is about more than filling a role; it is about continuing to build a Christ-centered foundation for our students, strengthening our community, and walking faithfully into the future God has prepared for Turlock Christian.

We have begun actively engaging with candidates and have already met with two individuals. One candidate met with the Search Committee this week and represented themselves very well. The second candidate is being scheduled to meet with the committee next week as we continue this process.

As a reminder, Tammy first brings forward candidates, and Paul and I begin with initial conversations focused on leadership, calling, and vision. From there, we prayerfully discern who should move forward to the Search Committee, who then helps evaluate each candidate through a broader community lens. It has been encouraging to see how the Lord is using each step to bring greater clarity and alignment.

At this time, we are also working to schedule conversations with two additional candidates. We are moving forward thoughtfully and deliberately, trusting that God is guiding each interaction and every decision along the way.

Throughout this process, we are anchored in who we are, a community rooted in faith, strengthened by family, and committed to the calling God has placed on this school. That

foundation gives us confidence, not in our own understanding, but in the One who goes before us.

I am reminded of the words in Nehemiah:

***“Those who carried materials did their work with one hand and held a weapon in the other... each of the builders wore his sword at his side as he worked.”***

**Nehemiah 4:17–18**

This passage reflects both diligence and dependence, while remaining watchful and prayerful. That is how we are approaching this season: with steady hands, attentive hearts, and complete trust that the Lord is already preparing the right leader for TC.

We believe wholeheartedly that God goes before us, and even now, He is preparing the right leader - someone who will love our students, serve our families, build up and lead our community with wisdom and humility, and help guide Turlock Christian into its next chapter.

Thank you for your continued prayers, your trust, and your partnership. There will be opportunities for broader community engagement as we move toward identifying finalists. Until then, please know that we are walking this path carefully, faithfully, and together.

With gratitude,

*Johanna Fischer*

TC Chair of the Board
