

## Walking Together Through an Important Season

---

Dear TC Community,

I wanted to share a brief update on our search for Turlock Christian's next Head of School.

After thoughtful discussion and prayer, the Board has retained a professional search firm, Christian ExecuSearch, to help identify and recruit strong candidates for this important role. As candidates are sourced, they will first be reviewed by Paul Harrell to determine whether they are a strong fit for Turlock Christian's mission and community. Candidates who appear to be well aligned will then move forward to our Search Committee.

Our Search Committee includes **Jim Vieira, Suzie Baba, Jenna Nored, Donna Kirchhoff,** and **me**. I am also awaiting confirmation from a local pastor who has been invited to serve. We intentionally assembled this group to reflect a broad cross-section of our school community and to bring thoughtful perspectives to the process.

The committee will interview candidates and make recommendations to the Board regarding which individuals should be invited to campus for further conversations with faculty, parents, and members of the TC community. This process allows us to thoughtfully discern the leader who will guide Turlock Christian into its next chapter.

Our prayerful goal is to identify and confirm our next Head of School in time for them to begin leadership on July 1, allowing for a smooth transition into the new school year.

Transitions like this are important moments in the life of a school, and we are approaching this search with prayer, care, and confidence. During this season of transition, the strong foundation of Turlock Christian remains steady through the leadership of our faculty, staff, and supportive parent community.

***“The God of heaven will give us success.  
We His servants will start rebuilding.”  
Nehemiah 2:20***

Thank you for your continued prayers and partnership as we move forward together. It is a privilege to walk this journey with a community that cares so deeply about our students and our mission.

In Faith, Family, and Future,  
*Johanna Fischer*  
TC Chair of the Board
