

Our Process and Progress

Dear TC Family,

Our search for the next Head of School continues, and I am encouraged by the thoughtful and prayerful steps already underway.

Yesterday, Jim Vieira, former Board member, parent of a staff member, local businessman, and grandparent within our community, convened and led our first Search Committee meeting. This team reflects the heart of Turlock Christian, bringing together staff, parents, a local pastor, and current Board representation (myself).

As candidates are identified through our recruiter, Tammy, they will first be reviewed by Paul and me. From there, selected candidates will move forward to the Search Committee for interviews and reference checks. Finalists will then be recommended to the Board for further interviews and a campus visit, at which point they will also spend time with Kathy Sharp, our current Head of School, and Rick Ryan, our Junior High/High School Principal.

When we reach the final stage, our top candidates will visit campus with their families. During this time, they will engage with our broader school community - parents, staff, leadership, and key members of our extended TC family. This will be a meaningful opportunity for mutual discernment as we seek God's direction together.

Throughout this process, our focus remains steady: to prayerfully discern the leader God has already prepared for this next chapter and to move forward together in unity as a TC family.

We are reminded,

***“The God of heaven will give us success.
We, His servants, will start rebuilding.”
Nehemiah 2:20***

We trust that God is guiding each step.

In this season, we remain anchored in what matters most—faith, family, and future.

Faith, that God is already at work ahead of us. **Family**, that we walk this journey together in unity and trust. **Future**, that the next leader will help guide our children into all that God has prepared for them.

Thank you for your continued prayers and partnership. I remain genuinely hopeful and confident that, through God's guidance, we will find the right leader for Turlock Christian.

With gratitude and hope,

Johanna Fischer
