

## Built with Faithfulness, Awaiting What God Will Establish

---

Dear TC Family,

*“I had rebuilt the wall, and not a gap was left in it  
(though up to that time I had not set the doors in the gates).”*

**Nehemiah 6:1**

There is a powerful moment in the story of Nehemiah when the work is nearly complete. The wall stood strong. The gaps had been closed. And yet, there was still work to be done. The doors had not yet been set in place. It is a picture of faithful progress; not lacking, not unfinished in a negative sense, but standing in the space between what has been built and what God is about to fully establish.

That is where we find ourselves as a school community today.

Over these past months, much has taken place in our search for the next Head of School. Through prayer, discernment, and the faithful service of many, we have now prayerfully narrowed the search to two finalists. In the coming weeks, we will be welcoming both candidates and their families to campus as they spend time with our community. This is an important step, but it is not yet the finish line.

We are grateful for Tammy at Christian ExecuSearch. Her diligence and experience have helped identify strong, qualified candidates for this important role. Her partnership has been a valuable part of this process, helping guide us toward leaders who align with the mission and future of Turlock Christian.

As we walk into this next season, it is only right that we pause and honor the tremendous work of Kathy. Turlock Christian would not be where it is today without her faithful leadership, servant-hearted posture, and steadfast dedication to this school. She has carried much with grace, wisdom, and deep care for our students, families, and staff. Her

investment in Turlock Christian has helped strengthen the very foundation on which we now continue to build.

We are also deeply grateful for the Head of School Search Committee, whose willingness to serve, pray, listen, and labor through this process has been a gift to our community. Their commitment reflects the heart of Turlock Christian - people willing to step in, carry the load, and seek what is best for the future of this school.

And now, like Nehemiah and the people of Jerusalem, we continue forward together.

We continue in prayer.

We continue in unity.

We continue in trust that the Lord is preparing the right leader for this next chapter of Turlock Christian.

Please join me in fervent prayer over our school, our staff, our students, and the new Head of School God is even now preparing and bringing to us in His perfect timing.

The wall stands strong. The doors will be set in place when the Lord says it is time.

In faith, family, and future, we stand united...

*Johanna Fischer*

TC Chair of the Board
