

A New Chapter at Turlock Christian

Dear TC Family,

I'm excited to announce the hiring of our next Head of School, Matt Millett. Matt brings more than 15 years of Head of School leadership experience and is truly excited to join the Turlock Christian community.

This was an extensive and thoughtful process that included partnering with a professional search firm and working closely with a search committee made up of parents, staff members, a former board member, and a pastor. Throughout the process, our goal remained clear: to prayerfully discern the right leader to guide TC into its next chapter with wisdom, experience, and a heart for Christian education.

We feel very confident and grateful for this decision, and as you read Matt's letter below, I believe you will quickly see the same excitement and heart he has for joining our

community.

Matt will officially join Turlock Christian on **July 2nd**, and I look forward to introducing him in person and warmly welcoming him into our school family.

We are grateful for what God has done throughout this process and look forward with expectation to what He has ahead for TC.

In Faith, Family and Future,

Johanna Fischer

TC Chair of the Board

Message from Matt Millett

My family and I are so excited to be joining the Turlock Christian community. Throughout this process, one thing kept standing out to me. This school has genuinely meant something to families in this community for a long time, and that kind of trust is earned, not given.

I truly believe Christian education is about the impact on the hearts and minds of students entrusted to us by their parents, carried out by educators who are faithful to that calling. Getting to lead a school with that kind of legacy is something I do not take lightly.

I also want to express my sincere gratitude to the search committee and the Board of Directors. I am deeply grateful for the trust they have placed in me and honored by the opportunity to lead and serve Turlock Christian.

I look forward to meeting each and every one of you.

Matt Millett
