

Giving God the Glory for This Year - and Trusting Him for the Next

Dear TC family,

As we continue preparing for the next chapter of Turlock Christian, I wanted to share a brief update with our community.

First, I would like to make a correction to information I shared in my previous message introducing Matt Millet as our next Head of School. Accuracy and transparency are important to both Matt and me, and we want our community to have a clear understanding of his background and experience.

Matt has served as Head of School for eight years and has spent an additional ten years in Christian school leadership, overseeing areas including student activities, spiritual life, and operations. Together, these eighteen years of experience have prepared him well for the work ahead at Turlock Christian, and we are excited about the leadership he will bring to our school.

As I reflect on this past year, I am continually reminded of God's faithfulness. Through every challenge, transition, and opportunity, the Lord has been visibly at work in our school community. We have watched our students excel academically, athletically, spiritually, and personally. We have seen teachers pour into students, families support one another, and our mission continues to impact lives. The success of this year belongs first and foremost to God, and we give Him all glory for His provision, guidance, and blessing upon Turlock Christian.

We are excited to welcome Matt to the TC family this week. While he will only be with us briefly as he completes responsibilities at his current home, he will return on June 15 and begin spending more time on campus as part of his transition into the Head of School role. His official start date is July 2.

During this transition season, Matt is intentionally investing time in getting to know our faculty, staff, finances, programs, school culture and board members. This process will help position him to move forward strategically while building upon the strong foundation that already exists at TC.

When you see Matt on campus, I encourage you to introduce yourself, welcome him, and help him experience the warmth, support, and sense of family that make Turlock Christian so special. He and his family are genuinely excited to become part of our community and are looking forward to building relationships with our students, families, faculty, staff, and supporters.

While the school year is coming to a close, our work is far from finished. Throughout the summer, we will focus on several important initiatives, including launching our strategic planning process, onboarding new board members, and continuing to develop a strong financial plan for the coming year.

There is much to be excited about. God has provided incredible momentum for our school, and we look forward with great anticipation to what He will continue to build and accomplish through Turlock Christian in the year ahead.

***"Trust in the Lord with all your heart and lean not on your own understanding;
in all your ways submit to Him, and He will make your paths straight."***

Proverbs 3:5-6

Thank you for your continued prayers, support, and commitment to our mission.

In Faith, Family, and Future,

Johanna Fischer

TC Chair of the Board
