

## Preparing Students for More Than Success

---

Dear TC Family,

### Why Turlock Christian Matters

*"For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them."*

**Ephesians 2:10**

As parents, we all want the very best for our children.

We want them to be prepared academically. We want them to have opportunities. We want them to develop the character, confidence, and leadership skills necessary to thrive in an ever-changing world. We want them to discover who they are, why they were created, and how they can make a meaningful impact with their lives.

That is why Turlock Christian exists.

At Turlock Christian, we believe education is about far more than earning good grades, gaining admission to a university, or securing a successful career. Those things matter, and our students are well-prepared for them. Our graduates attend outstanding colleges and universities, excel in their chosen professions, and become leaders in their communities.

But our ultimate goal reaches beyond success.

We desire for every student to know Christ, to understand His truth, and to build their lives upon a foundation that will endure long after diplomas are earned and careers are established.

At TC, students discover:

**Truth**, Grounded in God's Word and a biblical worldview.

**Identity**, Rooted in Christ rather than achievements, popularity, or circumstances.

**Community**, A place where they are known, valued, encouraged, and supported.

**Purpose**, Through the discovery and development of their God-given gifts.

**Faith**, Strengthened through daily discipleship, prayer, worship, and biblical teaching.

**Character**, Cultivated through integrity, humility, responsibility, perseverance, and servant leadership.

**Wisdom**, Learning to navigate life and make decisions through the lens of Scripture.

**Hope**, Anchored in the faithfulness and promises of God.

This is the TC difference.

We are not simply preparing students for college; we are preparing them for life.

We are developing future teachers, business leaders, entrepreneurs, healthcare professionals, tradespeople, pastors, coaches, mothers, fathers, and community leaders who understand that their gifts have been entrusted to them for God's purposes.

In a culture that often leaves young people searching for identity, truth, and direction, Turlock Christian provides something increasingly rare: a firm foundation.

Our students are challenged academically, encouraged spiritually, equipped to lead, and inspired to serve. They leave TC prepared to compete at the highest levels, pursue exceptional opportunities, and engage the world with both conviction and compassion.

As I reflect on all God has done at Turlock Christian, I am continually reminded that Christian education matters because it shapes both the mind and the heart. It prepares students not only for a profession, but for a purpose.

At Turlock Christian, we believe every child is God's workmanship, uniquely created with gifts, talents, and a calling. Our privilege is to partner with families in helping students discover who God created them to be and equipping them to walk faithfully in the good works He has prepared for them.

That is why families choose TC.

And that is why we invite others to join us.

Because every child deserves an education that develops excellence, nurtures faith, builds character, and points them toward the calling God has placed on their life.

Faith. Knowledge. Virtue.

We are TC, and it is life-changing.

Faith, Family, Future,

*Johanna Fischer*
