

Faithful for 57 Years. Faithful for This One.

Dear TC Family,

Since 1969, Turlock Christian has opened its doors to generations of students. What began with just 12 children has grown into a ministry that has impacted thousands of lives.

For 57 years, God has used faithful people - teachers, parents, board members, leaders, and families - to carry this mission forward. Every generation has played a part in preparing the way for the next.

***“One generation commends your works to another;
they tell of your mighty acts.”***

Psalm 145:4

And now, our 58th year begins.

We are grateful for all God has done, and excited to welcome Matt Millett into this next chapter of TC's story. Matt brings experience, a heart for Christ, and a deep commitment to children and Christian education.

Here are a few words from Matt as we begin this new school year:

“When I think about stepping into this role, one word keeps coming to mind: faithful. It’s what has always defined this place. It carried Turlock Christian through 57 years, and it’s what I’m committed to maintaining this year.

When we do our work as unto the Lord, when we steward what’s been entrusted to us with real care, we’re not choosing between being faithful and being excellent. One produces the other.

I’ve already seen that same faithfulness in our teachers. TC is a team that wants more than “good enough” because they understand what’s at stake in every classroom.

But ultimately, our confidence for this year doesn't rest in our own faithfulness. It rests in His. God has been faithful to this school for 57 years, and He will be faithful through this one too."

Over the summer, much work has taken place behind the scenes to prepare for this year and to strengthen the foundation for TC's future. But the work we do is not the reason Turlock Christian exists.

The children are.

And now they are here. The hallways have voices again. Classrooms are full. Teachers are teaching. Relationships are forming. Children are learning about God's world and, most importantly, about the God who created them.

Our responsibility is simply to be faithful and work with excellence with what God has entrusted to us. And we can move forward with confidence, not because we know exactly what the future holds, but because we know **Who holds it.**

***"Through the LORD's mercies we are not consumed,
Because His compassions fail not. They are new every morning;
Great is Your faithfulness."
Lamentations 3:22-23***

May God bless Matt, our faculty and staff, our families, our Board, and especially every child who walks through the doors of Turlock Christian this year.

Faithful then. Faithful now. Faithful for the future.

With gratitude,

Johanna Fischer
Chairwoman
Turlock Christian School
