

Formed, Not Just Informed

Dear TC Families,

Turlock Christian School exists for formation. Our calling is to shape the whole student: mind, heart, and faith. The reality is that information is available everywhere. What is needed most today are students who are equipped to interact with information with discernment and conviction.

It is increasingly difficult to know what is true in today's culture. Claims, images, and voices compete for our attention, and falsehood can spread faster than anyone can fact check it. Our students need the discernment to test what they hear against the truth of Scripture, and the conviction to stand on what they know to be true.

At the same time, the world we are preparing our students for is changing faster than any curriculum can track. Specific skills can become outdated before a student graduates. They need adaptable minds, critical thinking to weigh new ideas, and a love of learning. They also need to know how to relate well to others, and to use every skill they gain in service of God and their neighbor.

As our teachers pour themselves into that work every day, we seek to give them the necessary tools to do it well. Our students deserve access to resources that stretch their minds and deepen their faith. It is imperative that we provide both. Practically speaking, tuition builds the foundation that allows us to operate every day. But that is just the baseline. With Kingdom partners who believe in what is being done, we can go deeper for our students and carry this work further than it has gone before.

You have already invited us into the life of your student, and this is a responsibility that we cherish. Now I would like to invite you to join us as a Kingdom Partner:

- **Pray.** Pray for your child and for the teachers who shape their days.
- **Carry the mission.** Bring what your child learns into your home, your church, and your neighborhood. Faith that stays inside the classroom is not finished.

- **Equip.** Support the tools, resources, and access that our teachers and students need. Generosity at this level is empowerment, and it strengthens the school for every family.

Join us on November 13. Watch my special invitation [here](#):

Season of Hope Fundraising Gala

Friday, November 13, 2026, 6:00 PM

Grand Oak Event Center, 1450 N. Soderquist Rd., Turlock
